

Very Excited for our next New Home Co-Broker Academy seminar

We are breaking new ground next Wednesday, April 24th, 2019 for New Home Co-Broker Academy. We will be presenting our “How to Build a New Homes Niche” at Lake Nona which is a 17-square mile mixed use planned community within the city limits of Orlando. Lake Nona is a community of the future offering arts, culture, education, events, venues, unique town center, healthy living and technology.

The U.S. Tennis Association opened its headquarters spreading across 65 acres with 100 courts. KPMG is building an 800,000-square foot state of the art training center which includes 800 guest rooms. All kinds of other things happening medical, retail, hotels and attractions, oh yes almost forgot why we are there, new homes!

Our attendees will learn 3 very important points. How to find new home buyers, how to find new homes inventory and how to work with onsite consultants. I have 17 bullet points REALTORS® will leave the seminar with, if interested in seeing them let me know.

BUT wait there's more! Free lunch, 3-hours of Florida CE Credit free, tour the new homes and getting to use the New Home Co-Broker designation (NHCB) on all your advertising and printed material.

So, come to Orlando for the day, class starts at 9:00 am until noon, have lunch, visit models and the rest of the day is yours, you will never get bored in Orlando!
